RSVP, Nothing but Perfection®

Our vision is to develop products with health benefits while making food a more enjoyable part of life. With that vision in mind, we introduced RSVP, Nothing but Perfection® hors d'oeuvres line.

Our RSVP, Nothing but Perfection® line is a complete hors d'oeuvres product line. Our products are available in all product categories, including puff pastry, phyllo pastry, kabobs, desserts and many more.

Our RSVP, Nothing but Perfection® brand features expertly prepared products incorporating the healthiest and freshest ingredients. Moreover, we have revolutionized the eating experience by offering trans-fat free hors d'oeuvres. One of the major benefits of the RSVP product line is the ability to offer our consumers an all Kosher, trans-fat free product.

All our RSVP hors doeuvres are packed in eye-catching innovative packaging. Our products are available in both retail and food service sectors. Generally, our food service product line is packed 100 pieces to a case.
